Message from the Pastor.....

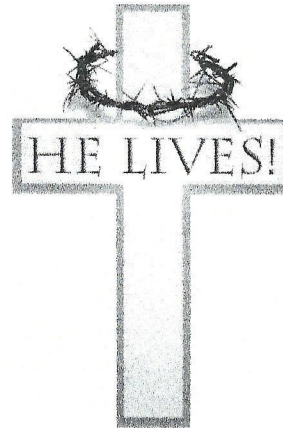

Last Wednesday evenings' prayer meeting was unusual in a great way. The service involved the baptism of four into God's Kingdom. God continues to grow His church in wonderful ways.

The construction project should be on the way in the near future. As your offerings continue to come in, we anticipate the possibility of a completed addition as near debt-free as those gifts allow.

As we continue to have visitors in our worship service, it is important that each member is present to meet them and invite them to join your class and your church. Having a sanctuary near full is a much better encouragement than one less worthy of our Savior.

Pray the prayer list! God answers prayer!

Bro. Travis Cowart
