A Note from the Pastor

With the beginning of another school and church year, there is an evident fresh spirit at Powers. We are also seeing a few new faces.

Our leadership is at work getting plans in place for an exciting, busy, and productive church year for our Lord. Yet there are familiar spaces in pews where some have been away too long. An encouraging word, call, or card may be the way to encourage our brothers and sisters in Christ, to know that the church family is not complete without them.

A popular reward for encouraging Church members to be regular in attending and giving support was the Perfect Attendance Award. We've lost the feeling that regular really means regular.

We serve a great Savior! Let's really try to give Him Our Best Effort. That's

FAITHFULNESS!

Bro. Cowart

GLOBAL HUNGER SUNDAY

Global Hunger Relief supports projects across North America, like the Good Samaritan Food Bank in North Georgia, who serves those "on the margin" of life. Give on [Global Hunger Sunday](#) on October 8 and 100% of every dollar goes directly toward meeting hunger needs.

One in seven people in the U.S. access food banks to help meet their needs. **One out of six children**—roughly 100 million—in developing countries is underweight.

Thank you girls and leaders for teaching us about Biblical Grandparents on Grandparent's Day.

October 3, 4, 5.
